CASE MANAGEMENT ORDER

Regarding ECF Nos. 254 & 255

The United States Trustee has filed a Motion for Relief from Final Judgment concerning fees awarded to Jackson Walker, LLP. The United States Trustee separately seeks to have the United States District Court withdraw the reference of this case to the bankruptcy judges, but only with respect to the Motion for Relief from Final Judgment.

Virtually identical motions have been filed in sixteen additional bankruptcy cases in this District to date.

After conferring with the other bankruptcy judges of this District, this Court orders:

1. The issue concerning whether the reference should be withdrawn to the District Court is transferred to the undersigned for all purposes. This Court will make such a recommendation to the District Court as it deems appropriate with respect to the withdrawal of the reference in all cases in which the United States Trustee is requesting such relief.
2. The undersigned has commenced and will preside over Miscellaneous Proceeding No. 23-00645, *In re Professional Fee Matters Concerning the Jackson Walker Law Firm*. All future documents and pleadings concerning discovery and pretrial matters regarding the Motion to Withdraw the Reference and the Motion for Relief from Final Judgment must be filed in Miscellaneous Proceeding 23-00645.
4. The undersigned retains all other matters that are pending in this case. At the conclusion of all discovery and pre-trial matters in Miscellaneous Proceeding No. 23-00645, the undersigned will issue a further case management order with respect to the trial of the Motion for Relief from Final Judgment.
5. For the purposes of clarity, the Court neither encourages nor discourages settlement of this matter in this case. If a settlement is reached in this case, any motion seeking approval of the proposed settlement must be filed in this case, with notice to all affected parties.

6. The Clerk of Court is directed to file a copy of this Case Management Order in this case and in Miscellaneous Proceeding No. 23-00645, *In re Professional Fee Matters Concerning the Jackson Walker Law Firm*.
7. This Order is effective on entry. Provided, if the District Court withdraws the reference, paragraphs 2, 3 and 4 will remain effective only to the extent ordered by the District Court.
